

# 🌟 *The Magical Invitation*

Once upon a time, not so far away, Mickey Mouse was getting ready for a very special day.

He polished his yellow shoes, packed his red shorts, and made sure Minnie had her polka-dots just right.

“We’ve got everything ready,” Mickey said with a grin, “except one thing...”

“Who are we forgetting?” asked Goofy, who had just tripped over a suitcase full of churros.

Minnie smiled and held up a sparkling golden envelope.

“We haven’t invited the most important guests yet — the ones who make the magic complete!”

Mickey took the envelope, gave it a little extra pixie dust, and sent it soaring through the sky. It flew over castles and clouds, over oceans and trees, until it landed right here...

...in YOUR home.

You open the envelope and read the words:

Dear Magical Friends,

Pack your bags and get ready for fun,

The Disney adventure has just begun!

Mickey, Minnie, Goofy, and the whole gang

Can’t wait to see you!

🎉 You’re going to Disney World! 🎉

Get ready for rides, smiles, and all the magic your heart can hold.

See you real soon!
